

Model 100XL

Description:

The Model 100XL continues to outsell all competitors because it offers the best possible combination of style, function and value. Now featuring the LEER Twist Handle on its advanced-design frameless rear door, and sleek SUV-style side windows with twist-out vents and screens, the 100XL offers LEER's distinctive eye for styling and value. Its long list of options let you turn the 100XL into just the truck cap you want, ready to work hard while looking great.
